End Application:

Aircraft, b-2 bombe

Mounting Position:

Any acceptable

Electrical Heating Element:

Not provided

Special Features:

Length: 4.5; can be fitted in a 1/2 clearance hole; high accuracy at all velocities in liquids and up to mach. 1.0 in gases

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T261-a
