**End Application:**

C-17 aircraft

**Features Provided:**

Electrostatic sensitive

**Criticality Code Justification:**

Cbbl

**Product Name:**

Enhanced crash survivable memory unit

**Color:**

Orange

**Reference Data And Literature:**

Smith industries drawing and commercial literature

**Relationship To Similar Equipment:**

Similar to "crash survivable memory unit (csmu) except lighter in weight and supports multiple gigabytes of data storage (compact flash memory)

**Surface Treatment:**

Paint

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
