Overall Diameter:

Between 0.154 inches and 0.156 inches

End Application:

Counter drum pointer pressure altimeter aau-27/a 10450-3190, -31105, and -31944

Special Features:

Consists of temperature compensator, compensator head, and compensator body

Special Markings:

White color code

Material:

Copper and stainless steel

Reference Data And Literature:

To 5f3-3-19-4 and drawing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
