**Overall Diameter:**

Between 0.154 inches and 0.156 inches

**End Application:**

Counter drum pointer pressure altimeter aau-27/a 10450-3190, -31105, and -31944

**Special Features:**

Consists of temperature compensator, compensator head, and compensator body

**Special Markings:**

White color code

**Material:**

Copper and stainless steel

**Reference Data And Literature:**

To 5f3-3-19-4 and drawing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
