Gyroscope Electromagnet Actuator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6615-00-013-9304

General Description:

Yes - demil/mli

C/o core 1, coil 1, terminal board 1, external terminals 15; insulationresistance shall be greater than 200 megohms when checked w/ 200 megohms w/ 200 m
vdc test potential applied between case and terminals
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
