End Application:

Gyroscope displacement, fscm 35351; p/n 139100-01-01; 6615009942152

General Description:

2material stainless steel, type 303, per mil-s-7720, condition a; material treatment, heat treat; material finish, passivate per qq-p-35; c/o housing, 1; ring, electrical contact 1; stator assembly 1; o/a diameter 2.675 in.; 0.623 in. H; 0.3002 in. Maximum id

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
