General Description:

Consists of 66055156459, 66108724303, 66109395237, 66157403605, 66159919533, 66159181694, 66051108961, 66100342500, 66101679699, 66100510982, 66151691564, 66051029656, 66109556118, 66109556117, 66108416503, 66156323630, 66154176299, not packaged for issue

Fsc Application Data:

Automatic pilot flight controllers

Reference Number Differentiating Characteristics:

Modified for use as depot bench set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
