End Application:

6615-01-232-3289 gyroscope, displacement

General Description:

9matly059a005-222; insulated surfaces, stress relieve iaw y050a006-102 after initial forming, anneal iaw y050a006-122 after final machining except max. Perm.(um) shall be 100, 000 min., coercive force (hc) shall be 0.03 oersteds; 1.740 in. L; 0.270 in. W;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
