**End Application:**

1430-01-068-2150 gyroscope rate

**General Description:**

6 volts applied to terminals; temp: -85 degrees f to 220 degrees f; charge magnets to saturation level & records flux density; 1.148 in. L

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
