**Overall Length:**

5.190 inches

**Overall Height:**

5.202 inches

**Overall Width:**

4.650 inches

**End Application:**

F100-pw-220 engine

**Product Name:**

Detector-light off, augmentor

**Special Features:**

Connector accomodates any connector that mates with d38999/21y-c-8p; application aircraft engine; same as nsn 6620-01-215-7979 except has internal modules

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
