Overall Length:

5.190 inches

Overall Height:

5.202 inches

Overall Width:

4.650 inches

End Application:

F100-pw-220 engine

Product Name:

Detector-light off, augmentor

Special Features:

Connector accomodates any connector that mates with d38999/21y-c-8p; application aircraft engine; same as nsn 6620-01-215-7979 except has internal modules

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
