

View Online at <https://aerobasegroup.com/nsn/6620-01-499-1492>

Special Features:

Incremental ttl output signal; 50-60 pct schmitt triggered duty cycle; 5v signal output voltage; 50ma maximum current sink capacity; 4.5-24vdc supply voltage; 12 pulses per revolution; bi-directional shaft rotation; 0.875-18 uns-2b internal input fitting; 0.875-18 uns-25 external output fitting; bronze bearings

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
