Current Type:

Dc

Contact Quantity:

1

End Application:

Male to male connector

Mounting Method:

Flush

Special Features:

Cable is 5 meters in length; housing size m12x1; rated operating distance 1.5mm; rated operational voltage 24 vdc; epoxy for material sensing face; connection cable; no. Of wires x gauge: 3 x 24 awg; operating frequency f 2000hz; degree protection per iec 529 is ip 68

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-e
