**Display Type:**

Light emitting diode

**Case Material:**

Aluminum

**Special Features:**

Complete fuel flow system w/transducer and gps; high speed egt/cht probes; rpm w/sensor; manifold pressure w/sensor; outside air temp; long term memory adjustable 25 to 1550 hours; overlean display; shock cooling; egt span, votage alarm, and tso quality; three year warranty

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535m0
