Terminal Quantity:

1

Overall Length:

7.690 inches

Overall Height:

5.910 inches

Overall Width:

3.100 inches

Special Features:

Flow range: 300 to 10200 pph; fuel temperature: -54 degree celsius to +158 degree celsius; ambient temperature: -75 degree celsius to +158 degree celsius; dry weight: 3.5 lbs; proof pressure: 1430 psig at 160 ; burst pressure: 2120 psig at 160 degree celsius; electrical connector: esc10ye21005pno

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
