**Product Name:**

Diagnostic and analysis system, automotive

**Special Features:**

7 in 800 x 400 pixel color display, window operating system, dual processor tech. Deep vehicle syst. Coverage, sensor initialization, ecu adaption, coding & module set up functionality, 5 obdii protocols, 10 test modes, wi-fi

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A30800
