Product Name:

Diagnostic and analysis system, automotive

Special Features:

7 in 800 x 400 pixel color display, window operating system, dual processor tech. Deep vehicle syst. Coverage, sensor initialization, ecu adaption, coding & module set up functionality, 5 obdii protocols, 10 test modes, wi-fi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
