Overall Length:

1.94 inches

Overall Height:

2.797 inches

Overall Width:

2.125 inches

Case Material:

Steel

Case Surface Treatment:

Enamel, black

End Application:

2355-01-598-5731

Scale Range:

+0.00 to 160.00 pressure

Pointer Type:

Indicating

Mounting Method:

Panel

Scale Accuracy:

2.00%

Product Name:

Gauge, pressure

Special Features:

Dial material: aluminum; bourdon tube material: phosphor bronze;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
