Circuit Current For Which Designed:

Dc

Scale Division Quantity:

4 single indicator single range

Installation Design:

Panel

Dial Scale Marking Color:

White single indicator single range

Background Color:

Black single indicator single range

Measurement Range:

-60.0/+60.0 amperes, dc single indicator single range

Circuit Attachment Method And Quantity:

2 threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
