Circuit Current For Which Designed:

Dc

Scale Division Quantity:

4 single indicator single range

Installation Design:

Panel

## Dial Scale Marking Color:

White single indicator single range

## **Background Color:**

Black single indicator single range

## Measurement Range:

-60.0/+60.0 amperes, dc single indicator single range

## **Circuit Attachment Method And Quantity:**

2 threaded stud

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No
