Overall Length:

2.300 inches

Overall Height:

0.660 inches

Overall Width:

1.190 inches

Test Item Connection Method:

Binding post and connector

Criticality Code Justification:

Feat

Special Features:

Two insulated binding post one red one black on upper and bnc female on lower; weapon system essential

Material:

Plastic body

Supplementary Features:

50 ohms nom impedance; 500 v rms working v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537k0
