End Application:

6625-00-107-8173 signal generator

Special Features:

Connector assembly 1; bolometer plunger 1; bolometer stop assembly 1; glass termination 1; dielectric sleeve 1; rf cable 1.7 ft long; electrical, electronic properties measuring and test instruments

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
