Overall Length:

4.016 inches

Overall Height:

1.500 inches

Overall Width:

2.090 inches

End Application:

Electronic test set

Criticality Code Justification:

Feat

Component Type And Quantity:

1 housing and 3 terminal and 7 socket

Special Features:

Weapon system essential; includes 1 heater

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
