Overall Length:

13.250 inches

Overall Height:

5.250 inches

Overall Width:

8.500 inches

Basic Shape Style:

Rectangular or square

Circuit Construction Type:

Solid state

Operating Ac Frequency In Hertz:

60.0 single voltage

External Ac Operating Voltage In Volts:

230.0 4th voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
