Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-00-230-3369

Overall Length:
5.250 feet
Cross Section Outside Diameter:
0.585 inches
Conductor Quantity:
18
Terminal Manufacturer Identifying Reference Number:
PI-153 2nd end all conductors
Terminal Commercial And Government Entity Code:
80063 both ends all conductors
Material:
Cotton 1st position braid, non-metallic cable
Reference Number Differentiating Characteristics:
As modifiedby length
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
