

View Online at <https://aerobasegroup.com/nsn/6625-00-472-3734>

Special Features:

Nain: counter-timer, digital display; 0 to 12.5mhz freq range measurement w/1 microsec to 10 sec decade steps, gate time, 0.1hz to 1mhz freq counted in decade steps time interval measurement w/1 microsec to 10 sec resolution; 0.1hz to 1mhz freq counted in decade steps period measurement w/dc to 1mhz range, 0 to 1mhz freq counted in 1 to 10 decade steps multiple period measurement w/dc to 12.5mhz range, porm count, time base, and trigger level error accuracy; 1 megohm impedance; 115 or 230vac, 60hz, 40w; 17in w x 1.75in h x 12in d; panel mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T297-a
