Overall Length:

6.688 inches

Overall Height:

3.750 inches

Overall Width:

1.250 inches

End Application:

Test-monitor-control, rhotheta navigation 3, rtn3

Mounting Configuration:

Two 0.188 in. Mtg holes spaced 3.875 in. Ctr to ctr; three type tnc female connectors, one type n female connector, one type n female connector

Radio Frequency Rating:

Between 962.0 megahertz and 1213.0 megahertz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-c
