Overall Length:

20.062 inches

Overall Height:

21.000 inches

Overall Width:

18.375 inches

Component Quantity:

1

Locking Device:

Not included

Component Controlling Agency:

Jetds

Component Name:

Radio test set

Component Identifying Number:

An/tr-3 type no.

Handle Quantity:

2

Handle Location:

Each end

Material:

Wood and aluminum

Material:

Wood and aluminum

Surface Treatment:

Enamel

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-a
