Outside Surface Treatment:

Silver

Overall Length:

10.250 inches

Overall Height:

0.750 inches

Overall Width:

1.500 inches

Trade Designation:

Waveguide-2 each

Controlling Agency:

Jetds

Identifying Number:

Rg106u type no.

Operating Frequency:

Between 5200.0 megahertz and 8200.0 megahertz

Termination Controlling Agency:

Jetds

Probe:

Not included

Dial Gage Indicator:

Not included

Termination Name:

Flange-2 each

Termination Identifying Number:

Ug344u type no.

Conductor Type For Which Designed:

Waveguide

Slope Error Elimination Adjustability:

Not adjustable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T263-n
