Overall Length:

0.650 inches

Overall Height:

0.400 inches

Overall Width:

0.440 inches

Component Type And Quantity:

1 diode and 2 resistor

Special Features:

Mounting method and configuration: three wire leads

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
