Overall Length:

8.500 inches

Overall Height:

6.500 inches

Overall Width:

7.000 inches

Component Type And Quantity:

Switch

Special Features:

Component type and quantity: chain 1, sprocket 3, stenciling1; mounting configuration: bracket mounting; fsc application data: radio set, radio navigation nonairborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
