Overall Length:

12.000 inches

Overall Diameter:

1.250 inches

Component Type And Quantity:

1 wire and 1 clamp and 1 connector and 3 core and 1 cartridge and 1 seal and 1 sleeve

Special Features:

Mounting configuration: connector mounted; fsc application data: probe subassembly electrical and electronic set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
