**Overall Length:**

13.375 inches

**Overall Height:**

5.250 inches

**Overall Width:**

9.875 inches

**Component Quantity:**

2

**Locking Device:**

Not included

**Component Controlling Agency:**

Army electronics command

**Component Name:**

Panel test set assembly; artificial cable assembly

**Component Identifying Number:**

Sc-d-64270 drawing no. And sc-d-63947 drawing no.

**Material:**

Aluminum

**Material:**

Aluminum

**Surface Treatment:**

Enamel

**Surface Treatment:**

Enamel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T358-a
