Electrical-electronic Test And Measurement Equipment Cover - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6625-00-669-1822

Body Length:
11.313 inches
Body Width:
7.250 inches
Body Height:
2.563 inches
End Application:
Type no. Tw-352/u
Mounting Configuration:
Fastens to housing by catch fasteners
Special Markings:
Identification attached to outside, label inside
Material:
Aluminum
Material:
Aluminum
Surface Treatment:
Paint
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T23700
