AeroBase Group

View Online at https://aerobasegroup.com/nsn/6625-00-679-7886

Overall Length:

18.750 inches

Overall Height:

9.500 inches

Overall Width:

6.500 inches

Usage Design:

External

Element Material:

Copper-manganese-nickel alloy

Terminal Location:

Top

Voltage Drop In Millivolts:

300.0

Current Rating And Type:

300.0 amperes ac

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A33500
