Circuit Current For Which Designed:

Ac or dc

Overall Length:

12.625 inches

Overall Height:

6.875 inches

Overall Width:

5.125 inches

Special Features:

Case material: aluminum; installation design: nonportable; circuit attachment method: clamp-on and direct contact probe; scale selection method: terminal

Style Designator:

Rectangular or square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A310a0
