Overall Length:

5.812 inches

Overall Height:

2.500 inches

Overall Width:

2.875 inches

Case Material:

Metal

Case Surface Treatment:

Enameled

Accessory Components And Quantity:

N/a

Internal Battery Accommodation:

Not included

Indicator Type:

Direct reading

Instrument Calibration Range:

8.2 gc to 10.0 gc range

Calibration Accuracy Rating:

0.08 pct accuracy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T134-h
