Overall Length:

8.093 inches

Overall Height:

1.031 inches

Overall Width:

6.093 inches

End Application:

Test set, electronic equipment

Component Type And Quantity:

1 frame and 7 connector and 4 cable and 4 strap and 8 lead

Precious Material And Location:

Contact pin surface gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
