Overall Length:

24.000 inches

Overall Height:

20.000 inches

Overall Width:

10.000 inches

Dial Scale Marking Color:

Black single indicator all ranges

Movement Type:

Moving iron vane

Background Color:

White single indicator all ranges

Power Source:

Internal

Features Provided:

Portable

Movement Suspension Method:

Metal pivot base

Material:

Wood

Style Designator:

D1 rectangular or square

Reference Number Differentiating Characteristics:

As differentiated by range requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
