| _                                                     |
|-------------------------------------------------------|
| Dc                                                    |
| Overall Length:                                       |
| 2.030 inches                                          |
| Mounting Hole Diameter:                               |
| Between 0.120 inches and 0.130 inches                 |
| Scale Division Quantity:                              |
| 30 single indicator single range                      |
| Overall Diameter:                                     |
| 2.695 inches                                          |
| Environmental Protection:                             |
| Shock resistant and vibration resistant               |
| Mounting Bolt Circle Diameter:                        |
| 2.440 inches                                          |
| Indicator Type:                                       |
| Dial w/pointer                                        |
| Installation Design:                                  |
| Panel                                                 |
| Mounting Arrangement Style:                           |
| Three hole/stud bolt circle                           |
| Dial Scale Marking Color:                             |
| Black single indicator single range                   |
| Accuracy In Percent:                                  |
| -3.0/+3.0 at full scale single indicator single range |
| Unable To Decode:                                     |
| Unable to decode or unable to decode                  |
| Meter Depth Behind Mounting Flange:                   |
| 1.170 inches                                          |
| Meter Body Diameter Behind Mounting Flange:           |
| 2.150 inches                                          |
| Movement Type:                                        |
| Moving coil, permanent magnet                         |
| Background Color:                                     |
| White single indicator single range                   |
| Pointer Color:                                        |
| Black single indicator single range                   |
| Power Source:                                         |
| External                                              |
| Mounting Facility Type And Quantity:                  |
| 3 unthreaded hole                                     |
|                                                       |

**Scale Graduation Type:** 

Linear single indicator single range

## NSN 6625-00-827-7021
