Overall Length:
2.625 inches
Overall Height:
0.875 inches
Overall Width:
2.312 inches
Mounting Configuration:
Mtd by one snap fastener
Product Name:
Test set subassembly
Special Features:
Board 1; capacitor 2; diode 2; fastener 1; resistor 7; tube 1
Fsc Application Data:
Range calibrator, test except specially designed
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511I0
