**Overall Length:**

2.625 inches

**Overall Height:**

0.875 inches

**Overall Width:**

2.312 inches

**Mounting Configuration:**

Mtd by one snap fastener

**Product Name:**

Test set subassembly

**Special Features:**

Board 1; capacitor 2; diode 2; fastener 1; resistor 7; tube 1

**Fsc Application Data:**

Range calibrator, test except specially designed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A5110
