**Overall Length:**

9.562 inches

**Overall Height:**

4.656 inches

**Overall Width:**

1.281 inches

**Impedance Rating Per Channel:**

2000.000 microhms output channel err-100

**External Dc Operating Voltage In Volts:**

1.7 single voltage

**Special Features:**

Output impedance not rated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A32200
