Overall Length:

3.470 inches

Overall Height:

0.313 inches

Overall Width:

0.312 inches

Component Type And Quantity:

1 pad

Special Features:

Component type and quantity: print bar 1; mounting method and configuration: two 0.144 inch diameter holes on 3.156 inch center; bar is aluminum with bright dip clear lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511I0
