Overall Length:
3.470 inches
Overall Height:
0.313 inches
Overall Width:
0.312 inches
Component Type And Quantity:
1 pad
Special Features:
Component type and quantity: print bar 1; mounting method and configuration: two 0.144 inch diameter holes on 3.156 inch center; bar is
aluminum with bright dip clear lacquer
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511I0
