Overall Length:

5.750 inches

Overall Height:

1.250 inches

Overall Width:

5.375 inches

End Application:

Test set, electronic equipment

Component Type And Quantity:

1 plate and 2 pin and 2 bar

Special Features:

Setscrew block 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
