Overall Length:

0.948 inches

Overall Diameter:

0.620 inches

Mounting Configuration:

One no. 6/0.138 in./-32 thd mtg stud centrally located

Gap Type:

Nonrotary

Electrode Material:

Any acceptable

Adjustability Feature:

Not included

Fsc Application Data:

Guided missile control system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T208-b
