Overall Length:

1.126 inches

Overall Height:

0.770 inches

Overall Width:

1.124 inches

End Application:

Test set, electronic equipment

Component Type And Quantity:

7 contact and 1 housing

Special Features:

Circuit card assembly 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
