Overall Length:

1.000 inches

Overall Height:

0.188 inches

Overall Width:

0.875 inches

End Application:

Test set, electronic equipment

Component Type And Quantity:

1 housing and 20 contact

Special Features:

Circuit card assembly 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
