Criticality Code Justification:

Feat

Conductor Form:

Solid single conductor

Voltage Rating:

600.0 peak operating voltage single conductor

Special Features:

Critical application: strategic weapons systems (poseidon and trident), aircraft, trainer kc-135; support equipment, f-111 aircraft

Fsc Application Data:

Elec, elect. Properties measuring and test instruments

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
